PROFESSIONAL POWER TOOL SOLUTIONS

PERFORMANCE SERIES ANGLE GRINDERS

Performance Series Angle Grinders *Featuring Rat Tail Angle Grinders*

(Models: WP1200-125 RT, WEV1500-125 RT, WE1500-150 RT)

Renowned Metabo Heavy Duty Motor

- AC/DC capable*
- High overload capacity

Metabo's Legendary Protection System Features

- Aluminum die-cast gear housing allows for fast heat dissipation
- Auto-stop carbon brushes extend motor life

*Note: features depend on specific model

Slim rubberized coated grip (Rat Tail Angle Grinders)

- Vibration dampening
- Slip resistant

Variable speed dial*

Dual locking* or Non-locking switch*

Electronics

- Electronic speed stabilization*
- Soft start feature*
- Overload protection*

Tool free, burst-proof guard*

Vibration dampening side handle*

**For maximum performance
use Metabo Abrasives...**

See back page for our
expanded range of grinding and
cutting wheels for all applications.

4.5", 5" & 6" Series Angle Grinders

- German Engineered - Metabo Quality
- Increased Power
- Metabo heavy duty performance motor

Performance Series Angle Grinder Selection Guide

	Model No. NEW	Order No.	Amps / RPM	Additional Features	Replaces
4.5" Slide Switch Angle Grinders	W750-115 	601230420	7.0 Amps, AC, 11,000 RPM	HD Motor, Auto-stop Carbon Brushes, Small Circumference Barrel Grip	W720-115, 606725420
	W850-115 	601232420	8.0 Amps, AC, 11,000 RPM	HD Motor, Auto-stop Carbon Brushes, Small Circumference Barrel Grip	W820-115, 606727420
	W1100-115 	601236420	10.0 Amps, AC, 11,000 RPM	HD Motor, Auto-stop Carbon Brushes, Small Circumference Barrel Grip	W1080-115, 606721420
4.5" Non-locking Paddle Switch Angle Grinders	WP850-115 	601234420	8.0 Amps, AC, 11,000 RPM	HD Motor, Auto-stop Carbon Brushes, Non-locking Paddle Switch, Small Circumference Barrel Grip	WP820-115, 606729420
5" Slide Switch Angle Grinders	W850-125 	601233420	8.0 Amps, AC, 11,000 RPM	HD Motor, Auto-stop Carbon Brushes, Small Circumference Barrel Grip	W820-125, 606728420
	W1100-125 	601237420	10.0 Amps, AC, 11,000 RPM	HD Motor, Auto-stop Carbon Brushes, Small Circumference Barrel Grip	W1080-125, 606722420
5" Rat Tail Angle Grinders	WP1200-125 RT 	601240420	10.2 Amps, AC/DC 11,000 RPM	Non-Locking Switch AC/DC operation, Vibration Dampening Side Handle, Auto-stop Carbon Brushes, Ergonomic Slim Rat Tail Grip	W1080-125 RT, 606724420
	WEV1500-125 RT 	601243420	13.2 Amps, AC, 3,500 - 11,000 RPM	Electronic Clutch, Soft Start, Overload Protection, Vibration Dampening Side Handle, Tool-less Burst Proof Guard, Auto-stop Carbon Brushes, Ergonomic Slim Rat Tail Grip	None
6" Rat Tail Angle Grinders	WE1500-150 RT 	601242420	13.2 Amps, AC, 9,600 RPM	Electronic Clutch, Soft Start, Overload Protection, Vibration Dampening Side Handle, Tool-less Burst Proof Guard, Auto-stop Carbon Brushes, Ergonomic Slim Rat Tail Grip	WE1450-150 RT, 600683420

FIND THE RIGHT WHEEL FOR YOUR APPLICATION

	Slicer Wheels	Grinding Wheels	Flap Discs
GOOD	Original Slicer A60TZ  <ul style="list-style-type: none"> Fast, cool cutting, burr free Ferrous metal Stainless steel Bar stock Plate 	Original A24N  <ul style="list-style-type: none"> Aluminum Oxide general purpose wheel High stock removal rate Good wheel life when grinding ferrous metals and stainless steels 	Novoflex Zirconia Alumina Grain  <ul style="list-style-type: none"> Fast stock removal, consistent blending and finishing, long service life, contaminant free General purpose flap disc made with high quality zirconia alumina Steel Stainless steel
	Original Long Life Slicer A60XL / A36XL  <ul style="list-style-type: none"> Longer life, tough cutting Ferrous metal Stainless steel Thin wall pipe Tube Sheet metals Best for interrupted cuts 	Original Long Life A24R  <ul style="list-style-type: none"> Aluminum Oxide wheel with a tougher bond Longer wheel life and high stock removal rate when grinding ferrous metals and stainless steels 	
BETTER	Slicer Plus A60TX  <ul style="list-style-type: none"> Fast cutting, long life Ferrous metal Stainless steel Hard alloys Thicker sectional cuts Heavy wall pipe Angle iron 	Plus-Z ZA24T  <ul style="list-style-type: none"> Very aggressive Zirconia Alumina abrasive Very high stock removal rate Extra long life and cooler grinding for heat sensitive materials due to the micro-fracture of the grains as they wear Excellent for stainless steels and ferrous metals 	Flexiamant Treated Zirconia Alumina Grain  <ul style="list-style-type: none"> Top performing zirconia alumina for aggressive stock removal, excellent service life, contaminant free Surperb finishing on steel Cooler grinding on stainless steel
	Plus-Alu Slicer A46N  <ul style="list-style-type: none"> Enhanced performance Specially formulated for non-ferrous metals without loading Aluminum, copper, brass, bronze 	Plus-Alu A36M  <ul style="list-style-type: none"> Specially treated Aluminum Oxide Designed for grinding aluminum and non-ferrous metals. Aggressive removal rates Long wheel life without loading 	
BEST	Super Slicer A60XP  <ul style="list-style-type: none"> High performance, contaminant free Stainless steels Hardened alloys High tensile alloys Titanium 	Super A36O  <ul style="list-style-type: none"> Clean bond Contaminant free grinding of stainless steels and tougher alloys Good removal rate Long wheel life 	Flexiamant Super Ceramic Alumina Grain  <ul style="list-style-type: none"> High performance, contaminant free Specially designed for cool grinding on heat sensitive materials as well as hardened metals, stainless steels, high tensile alloys, hastalloys, inconels and titanium
	M-Calibur CA46U  <ul style="list-style-type: none"> Extremely fast, longest life, contaminant free, pure ceramic alumina wheel For longest life in toughest applications in steels and stainless steels, inconel, titanium Lowest cost per cut 	M-Calibur CA46U  <ul style="list-style-type: none"> Next Generation Ceramic abrasive grains Extreme material removal rates Longest wheel life Contaminant free grinding of stainless steels, tough alloys, and ferrous metals Maximizes productivity when used with Metabo WE15 / WEP17 series angle grinders
