PROFESSIONAL POWER TOOL SOLUTIONS

Your power tool partner at every phase.

Metabo has been a reliable industry partner to the trades for more than 90 years. They offer power tool solutions for professionals to help you master the challenges faced in metal processing from deburring and rounding, weld seam prep, beveling, grinding to cutting and finishing.

Metabo is known for setting high standards, producing tools that exceed today's safety requirements, quality expectations and productivity output.

Discover what Metabo can do for you!

For all your finishing needs before

Weld seam prep and beveling

Proper preparation of metal before welding is critical for the achievement of good welds. Getting it right the first time saves costly rework and frustration. Only Metabo offers the range of tools to meet the needs of every shop. Metabo offers beveling tools and cutters for every application, assuring the lowest total cost and highest quality of weld preparation.

Grinding and cutting

Metabo angle grinders and abrasives are the tools of choice for highest productivity and safety. Grinding in difficult to reach areas presents safety challenges that only power tools like Metabo's flat head angle grinders can overcome. Also, safety features like Metabo's well known S-automatic safety slip clutch and mechanical brake help to keep operators safe on the job.

Complete Cordless and Corded Solutions

and after welding

Chamfering, rounding and finishing

Edges may require a chamfer or radius to finish the job. Metabo's range of beveling tools are the perfect solution, allowing the user to set a precise depth setting and complete the surface with a smooth finish. A complete line of finishing tools that can take metal from a basic state to a mirror finish in no time are also available. Metabo has corded and cordless tools such as; burnishers, which provide in-line finishing, fillet weld grinders to reach into tight corners, pipe/tube sanders to finish rounded surfaces, band files for finishing both external and internal surfaces, and polishers that provide the final shine.

Installation

With Metabo's full range of cordless German engineered tools, you can size, drill, tap, rivet, install, fasten and mount work wherever you are working, even in remote areas. Safety is enhanced with the elimination of extension cords or airlines. Metabo's industry-leading LiHD battery technology assures power and runtime to get the job done quickly and safely.

Fast and Safe Beveling

Patented One-Touch Controller

- Tool free depth adjustment
- Unmatched precision
- Locked in depth settings

13A / 1500 Watt LongLife Motor

- With integrated dust protection

Front Handle

- Tool free adjustable front handle

Deadman Switch and Safety Brake

Bevel Angle Adjustment

- Easy adjustment from 0° - 90°

Roller Guide

- Increases precision for pipe beveling

Universal Cutter Head

- No need for multiple heads/cutters

Large Guide Plates

- Perfect control for beveling straight cuts

KFMPB 15-10 F

9" Angle Grinder

5X MORE EDGES PROCESSED IN THE SAME PERIOD OF TIME

INFINITELY ADJUSTABLE GUIDE PLATES QUICKLY ADJUST, SAVING TIME AND MONEY

- One cutter head for all bevel angles 0 - 90 °
- No additional cutter heads required to achieve multiple angles
- Infinitely adjustable

PRECISE CHAMFER ANGLES = OPTIMUM WELDING CONDITIONS

More precise than an angle grinder

- Creates clean surfaces without burrs, oxidation or blue discoloration due to heat generation
- The large surface guide plates maintain uniform chamfer angles and depth

The Solution for Tight Spaces

WEPPF 15-150 Quick

#613085420

Ergonomic Design

Reduces fatigue, even when working on weld joints in difficult positions

Specifically designed abrasive accessories allow the flat head grinder to work faster, saving time and money

Patented Gear Drive

Allows for a very low profile head design that enables grinding in angles as small as 39°, and into narrow spaces as low as 2-5/8" high with integrated dust protection

Patented gear design: the Metabo flat head angle grinder vs. standard angle grinders
