# PRESS RELEASE

Metabo Introduces 18V Brushless LT Impact Driver, Impact Wrench and Combo Kits  
*Compact, Powerful, Brushless!*

## June 2022 – West Chester, PA

Metabo Corporation, a leading German international manufacturer of professional-grade cordless and corded hand-held power tools and accessories in the US, introduces their new 18V LT ¼" Hex Impact Driver (SSD 18 LT 200 BL), ½" Impact Wrench (SSW 18 LTX 300 BL) and new Combo Kits (SB 18 LT BL + SSD 18 LT 200 BL).

"We are happy to introduce our latest LT cordless models. The 18V ¼" Hex Impact Driver and ½" Wrench are extremely fast and have industry leading power to size ratio, reducing worker fatigue and speeding up work. These tools include powerful brushless motors, increasing the number of screws and bolts that can be processed in less time." said Terry Tuerk, Metabo's Senior Product Manager.

The 18V Impact Wrench, SSW 18 LT 300 BL is available as a bare tool with a metaBOX case ([602398840](#)) or without ([602398850](#)). It has a no-load speed of 3,050 rpm, 221 ft-lbs. of torque and 3,800 BPM. The 18V Impact Driver, SSD 18 LT 200 BL is also available as a bare tool with a metaBOX case ([602397840](#)) or without ([602397850](#)). The Impact Driver has a no-load speed of 3,050 rpm, 1,800-inch lbs. of torque and 3,800 BPM. Both have 3 different speed levels that can adjust with the push of a button.

In addition to the **18V ¼" Hex Impact Driver and ½" Impact Wrench**, Metabo is offering two new Combo Kits, the SB 18 LT BL + SSD 18 LT 200 BL, in 2.0 Ah (US685220620) and 4.0 Ah (US685240620) Kits. Each kit contains two Li-Power batteries, an ASC 55 charger and Metabo's new metaBOX 145 L.

These tools are ideal for nearly every trade, from HVAC, mechanical contractors and carpenters to metalworking, fabrication, and automotive work. The Hex Impact and Wrench can be used in various applications, including fastening in wood and metal or anchoring in wood, metal, and concrete.
