Metabo Introduces New 14" Metal Chop Saw

Portable, Powerful, Convenient

June 2023 – Metabo, a leading German international manufacturer of professional-grade cordless and corded hand-held power tools and accessories in the US, introduces their new 14" Chop Saw for cutting metal, CS22-355 ([601786420](https://www.metabo.com/601786420)).

"We are excited to add another metal tool into our line. Our new 14" chop saw was specifically designed to cut metal with a portable, lightweight design, powerful 15 Amp motor with no-load speed of 3,700 rpm" said Joseph Masters, Metabo's Senior Product Manager.

The CS22-355 has an adjustable depth stop and spark guide, plus safety switch with lock-out to help prevent accidental start up. The 14" chop saw also includes a transport lock and top handle for easier transportation."

The tool can be set to -15° to 45° degrees for a wide variety of cuts on its 18" x 10" base plate. It's maximum cutting size is 5 3/16" on round tube, 4 3/4" on square tube and 4" x 8 3/16" on rectangular tube.
