PRESS RELEASE

Metabo Introduces 9" 36V Cordless Brushless Angle Grinder

Metabo offers cordless and corded grinders for all levels of expertise and preference.

October 2023 – Metabo, a leading German international manufacturer of professional-grade cordless and corded hand-held power tools and accessories in the US, introduces its new 9" 18V Brushless Angle Grinder.

"We are proud to welcome our latest cordless angle grinder, the Metabo 9" 36V Brushless Angle Grinder, model **WPB 36-18 LTX BL 24-230** available as a bare tool ([613104830](https://www.metabo.com/613104830)), or LiHD Kit, with 8.0 Ah batteries and ASC 145

Duo Charger ([613104520](https://www.metabo.com/613104520)). It boasts nearly 40% longer run time, 60% more cutting performance, and 15% better cutting speed vs. our predecessor model." said Joseph Masters, Senior Product Manager.

At 2400W, the new 9" 36V **WPB 36-18 LTX BL 24-230** is the most powerful machine in the Metabo fleet of cordless angle grinders, providing an industry-leading max cutting depth of 3" for extreme-duty materials and applications. Standard safety features include: Metabo electronic safety clutch, fast brake system, non-locking paddle switch, and rotatable handle for safer handling.

Metabo offers cordless and corded angle grinders from 4 ½" to 9" for the professional user all the way to the entry level user. Metabo also has an expansive range of slicers, grinding wheels and accessories to help get the job done right.

For more information on Metabo grinders, batteries, chargers and accessories, or Metabo's 3-year warranty, please contact 800-706-7337 or www.metabo.com
